	Would you recommend any new course/topic to be added in the program structure?	Elements and Principals of Design and in-depth colour I would like to suggest a couple of things: 1. Till the students don't pass out they should not be given the permission to call themselves XYZ Photography as they unless it's an assignment requirement. 3. steps for planning a shoot and execution of the same. In a professional shoot situation, there are a lot of things that go into preparing for it
